### CHILDREN AROUND THE WORLD FESTIVAL

THIS Friday, November 18, the elementary classes will be celebrating the Children Around the World Festival!

The fifth grade class has been busy this first semester preparing their nation's projects for a special presentation of their particular

nation. **As a way to learn and celebrate, students in K5 - 4th grade have the opportunity to dress up like a child from another country for the festival this Friday!** When choosing an outfit with your child, please make sure that the outfit follows the guidelines of length and fit for Rockwell Christian School.

### RCS "MONTH OF GIVING BACK"

Thank you for donating so many items to *Operation Christmas Child!* Earlier this week, we packed **39 boxes** to go to children around the world! Praise the Lord! The boxes will be prayed over this Friday at the *Children Around the World Festival!*

Per the information that was sent home two weeks ago, we are now collecting items for the RCS Food Drive this week. Please send all items to your student's homeroom by Friday, November 18. Let's see how many lives we can touch in our community!

**MOMS IN PRAYER**

A new group - Moms in Prayer - is meeting each week on campus to pray for the students and staff of RCS! Moms, if you would like to be a part of this special prayer group, please come to the school from 8am-9am each Wednesday morning. Please sign in at the school office first, and then you will be directed to the meeting room. Let's cover this campus in prayer this school year!

**SCHOOL CLOSING INFORMATION**

In the event of inclement weather this winter, please watch either WBTV (channel 3) or WSOC (channel 9) for closing/delay information. The information will also be posted on the school website and Facebook page. You will also receive a School Cast text message with closing/delay information. Please note that we DO follow the Rowan-Salisbury School System's closing/delay schedule.

**PROGRESS REPORTS**

The second quarter Progress Report will be viewable on Sycamore after Thanksgiving Break. Please be sure to sign into Sycamore on the app or a computer to view your student's current grades. In the app, click on your student's name; on the next screen, you should see "Posted Grades" at the top of the page. This view will serve as your student's Progress Report. On a computer, click on the "Grades" tab in your student's profile. This view will serve as your student's Progress Report. If you have students that are taking classes through Ignitia, Rosetta Stone, or RCCC, please have your students log into each individual site from home to view their class progress and grades.
