## SUMMER SCHOOL

If your student will be required to attend Summer School (failing a class, did not complete individualized classes, etc.), a letter will be sent home **TODAY, Tuesday, May 10**, regarding information and pricing.

When final grades are reported at the end of the school year, if your student's final grade is below a 65%, he will be required to attend Summer School to make-up that particular subject or class.

Also, if your student has exceeded the 20 absences allowed for the school year (this counts absences and unexcused tardies; as a reminder, major medical issues are taken into consideration), a letter will be sent home **next Tuesday, May 17**, regarding making up those days in Summer School. When final attendance is reported at the end of the school year, if your student's absences are more than 20 for the school year, he will be required to attend Summer School to make-up those absences.
